An Autonomous Institution | Approved by AICTE, Affiliated to Osmania University
#16-1-486, Sakdabad, Hyderabad-500059, Ph:040-24022764

Department of Computer Science and Engineering

Dt: 27-08-2024

CIRCULAR

Department of Computer Science and Engineering-MECS and ISVE Ranchi are organizing a webinar on **“Quantum Computing Demystified: Concepts, Challenges and Opportunities”** on **30th August 2024**, timings: **10:00 AM to 01:00 PM** through online mode. Google Meet Link is available on the poster and it is a free webinar.

This webinar aims to cover new and emerging concepts of quantum computing and enlightens the research opportunities in this field. This field facilitate collaborations between computer science, physics and all engineering disciplines and Internship opportunities for our students.

Please find herewith an invitation and poster along with this letter. It is highly appreciable if you would widely circulate it among the staff of your department and encourage them to participate in the webinar.

HOD

Principal

CC to all HOD's: CIVIL/CSE/EEE/ECE/MECH/IT & CME/S&H

Enclosers:

- Invitation Letter
- Poster
